

Electric Lawn Equipment Lending Policy

Brandon Free Public Library seeks to provide resources to meet the needs of the residents of Brandon. Borrowers must be a patron of BFPL in good standing, AND be 18 years or more old, in order to check out electric lawn equipment. Electric lawn equipment is intended to be used by library patrons for their personal use only during a single day between the hours of 7:00 AM and 7:00PM from April to October.

Electric lawn equipment is not available for transit to other libraries or for interlibrary loan. Borrowers are responsible for the safe-keeping and return of these items in good working order, and assume liability for the equipment while it is in their care. Patron agrees to cover the cost of damage and/or replacement costs, as determined by the library.

Electric lawn equipment devices must be kept in a moderate temperature environment when not in use. For instance, they should not be left in a hot vehicle or in the sun for long periods. Additionally, they should not be used in or left in the rain. Deliberately altering or using equipment for other than its intended purpose is prohibited. The Library does its best to provide fully functional equipment, but is not responsible for unforeseen hardware failures. Library staff will make every effort to promptly respond to requests for repair/maintenance.

Electric lawn equipment may not be returned to other libraries. BFPL requests that electric lawn equipment be returned inside the Library's **ToolShip** mobile storage unit where it came from, NOT to the library or a staff member.

Library staff will periodically inspect equipment to ensure all items associated with the item are accounted for and appear to be in good condition.

Access to the **ToolShip** utilizes SMS messaging. By agreeing to the BFPL lending policy, you are consenting to receiving access PINs and other information to your mobile number when you request access or other service. The **ToolShip**'s Smartlock creates an electronic record for each access request. In addition, all equipment is tracked electronically to aid in recovering tools. Electric Lawn Equipment is not considered returned until all items associated with it have been returned to the **ToolShip** in good condition.

The Library is not responsible for personal injuries or damages incurred while using the equipment. Proper use of personal protective equipment is the user's responsibility. Safety glasses, closed shoes/boots and long pants are recommended. The library reserves the right to deny the use of electric lawn equipment to any borrower who does not adhere to BFPL policies and procedures.

If you have texted JOIN to our SMS messaging number 802-352-8679 you have agreed to these conditions. If you do not have a mobile number and want to be issued a PIN, by providing the information below you agree to the above conditions for BFPL electronic device use.
